No. 20-1512

PETITION FOR REVIEW

Pursuant to Section 19(b) of the Natural Gas Act, 15 U.S.C. § 717r(b), Federal Rule of Appellate Procedure 15, and Circuit Rule 15, Sierra Club, Appalachian Voices, Chesapeake Climate Action Network, Indian Creek Watershed Association, Preserve Craig, West Virginia Rivers Coalition, and Wild Virginia hereby petition the United States Court of Appeals for the District of Columbia Circuit for review of four orders of the Federal Energy Regulatory Commission (“the Commission”).

Petitioners seek review of the Commission’s:

- Order Granting Requests for Extension of Time, 173 FERC ¶ 61,026 (Oct. 9, 2020) (“Extension Order”), FERC Docket Number CP16-10-006;

- Order Partially Lifting Stop Work Order and Allowing Certain Construction to Proceed, 173 FERC ¶ 61,027 (Oct. 9, 2020) (“Resume-Work Order”), FERC Docket Number CP16-10-000;
- Notice of Denial of Rehearing by Operation of Law and Providing for Further Consideration, 173 FERC ¶ 62,130 (Dec. 9, 2020), FERC Docket Number CP16-10-007; and
- Order Addressing Arguments Raised on Rehearing, 173 FERC ¶ 61,222 (December 11, 2020), FERC Docket Number CP16-10-007.

Petitioners were intervenors in the Commission proceedings below and, on November 9, 2020, filed a timely request for rehearing and request for stay of the Extension Order and Resume-Work Order. *See* 15 U.S.C. 717r(a). On December 9, 2020, the Commission issued its Notice of Denial of Rehearing by Operation of Law and Providing for Further Consideration, 173 FERC ¶ 62,130, and on December 11, 2020, issued its Order Addressing Arguments Raised on Rehearing, 173 FERC ¶ 61,222. This Petition is timely because it is filed within sixty days of both Orders on rehearing. *See* 15 U.S.C. 717r(b).

Dated: December 22, 2020

Respectfully submitted,

/s/Benjamin A. Luckett
